RETIREMENT VILLAGE

Hello everyone!

Friday, 23rd April 2021

This will only be a brief newsletter this time as we are going to change the production and the timing of it.

Until now Karen has compiled the contents and we have been fortunate to have had the services of Corrine from BHC Marketing to put it all together in the format you have received. With Karen getting busier as our community grows and Corrine's role expanding this has been revised.

The main edition will now be at the end of the month Maddie and Kaye have offered to put the contents together, send to BHC Admin to set it out then Karen can print and distribute.

Please still send all submissions for inclusion to Karen

Should anything arise between editions that requires communicating to everyone, an interim notice will come out.

Our Anzac Day Ceremony will be along the same lines as last year. Meet at the front entrance at 6am, there will be chairs at the Level 1 lift to be taken down if required.

It's lovely to see us develop some special traditions, and we have invited local neighbors to join us and share the remembrance as they did last year.

The Office will be closed for the Public Holiday on Monday 26th.

Hope this finds you well and happy—The Arbor A Team

NEW RESIDENTS

Our community continues to grow and be enriched by new arrivals.

This month Elaine Fraser arrived at unit 304, after various dramas along the way. Her pragmatism in the face of those dramas was admirable! Elaine relocated from Adelaide where she has lived for the last few years and was keen to move back to our warmer climate and reconnect with old friends and family.

Elaine has had a very full life living in many different places, including Thailand for 13 years where she set up and ran scholarship classes for Thailand hill tribe children. I'm sure she has some fascinating stories to tell, and we welcome her to her new home

ATTENTION PHOTOGRAPHY ENTHUSIASTS

As we grow in numbers we are having more functions, tours and outings which we wish to record to add to our book of memories of Arbor.

If you are a keen photographer and would love to take on or share this role please see Karen

We have come across a great scheme that Brisbane City Council is now offering for Seniors. This is a free collection of unwanted goods/furniture, bikes and appliances. Should you wish to know more about this service

SMOKE ALARMS

Recently we had 2 separate residents report a smoke alarm beeping in their apartment. Each year the smoke alarms are checked/serviced and batteries replaced. This was done in January 2021 however, sometimes things can fail throughout the year so please let us know if this occurs.

If it is a faulty battery we have spares in the office and are happy to replace these for residents — no climbing on chairs to replace please!

LOST and FOUND

silver necklace with little round diamante rings:- please see Karen to claim if yours.

A
